The northwestern part of Vietnam is one of the most interesting and beautiful areas of South East Asia. Vietnam is home to 54 ethnic groups and the northwestern part of the country is an exciting place to see the lives, customs and cultures of some of Vietnam's ethnic minorities. In this part of the country the minorities still dress in their traditional colourful clothing - especially the women. Each minority group has its own distinct color and style of dress. On the Northwest Jeep tour you will both do a minority trek and stay with some of the tribes in the Sapa area and go on a jeep tour through some of the country's most spectacular scenery and home to many distinct hill tribes. There will be a lot of time to stop at local markets and visit small minority villages rarely visited by other tourists.
